4.2 Parent / Pre-School Agreement Form Signed

The Parent/Pre-School agreement form should be returned for all children who wish to accept an offered place. Pre-School places and sessions are not guaranteed until written confirmation is received.

A place in the Pre-School **does not** guarantee a place in the Reception Class at Holy Trinity CE Primary School. An application for a primary school place must be submitted to OMBC through the Oldham Council website.

Governors will admit all children who have an Education, Health and Care Plan (EHCP) where Holy Trinity Pre-School is specifically named as the care provider.

5 Admission Criterion

1. Applications will be graded according to the greatest amount of provision requested over the full week.
2. Proximity to Pre-School – defined as the distance between the child's postcode and the Pre-School's postcode.

6 Oversubscription Criteria

In the event of oversubscription, places will be offered in accordance with the following criteria, applied in the order detailed below:

1. Children in care or children who have previously been looked after immediately prior to being subject to an adoption, residence, or special guardianship order.
2. Children who already have a sibling at the school and who will still be attending when their brother/sister starts in Pre-School.

A sibling is your child's brother or sister (including half-brothers and sisters, stepchildren and fostered children living with the same family, at the same address). Cousins do not count as siblings.

3. Children of Holy Trinity CE Primary School & Pre-School employees.
4. Proximity to Pre-School – defined as the distance between the child's postcode and the Pre-School's postcode.
5. Children with Exceptional Medical or Social Need – A person applying on these grounds must submit relevant professional written evidence from a G.P. or Social/ Children's Services stating why the child should attend this Pre-School class rather than any other Pre-School.

7 Tie-breakers

Should it be necessary to distinguish between applicants with equal priority within any of the above criteria, places will be awarded to those living nearest to the Pre-School. Distance is measured as a straight line from the child's home postcode to the school's postcode.

The normal permanent address is considered to be where the child resides for the majority of the school week and where the child's primary guardian normally permanently resides.

Evidence will be required of the child's normal place of residence, defined as the place where the child resides for the majority of the school week and where the child's primary guardian normally permanently resides.

8 Waiting List

Where we have more applications than places, the admission criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the oversubscription criteria. Since the date of application is not a criterion for the order of names on the waiting list, late applications for the Pre-School will be positioned according to the extent to which they meet the oversubscription criteria. Thus it is possible for a child who moves into the area later, to have a higher priority than one who has been on the waiting list some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place.

9 Fraudulent Applications

Where the Governing body discovers that a child has been awarded a place as a result of an intentionally misleading application from a parent, which effectively denies a place to a child

with a stronger claim, then the Governing body has the power to withdraw the offer of the place.

10 Fees

Information relating to additional fee paying Pre-School sessions:

Parents who require additional sessions over and above their child's entitlement, can choose to purchase additional sessions. For safeguarding reasons, no part sessions are available.

Non-payment of fees will result in your child losing their Pre-School place and the Pre-School admission criteria would need to be re-applied.

All details and current Pre-School fees will be supplied at the time of application.

11 Invoicing

Invoices for chargeable Pre-School sessions are payable by the end of the month of issue.

Payment of incurred charges can be made by:

- Government-backed Tax Free Childcare scheme (Childcare Choices)
- Employer Childcare voucher scheme
- Bank Transfer

12 Late Collection Charge

If a child is collected 15 minutes later than the contracted time for any session during the Pre-School day, there will be a charge of £10 for each session late, plus the session fee. This will be invoiced in arrears.

13 Notice Period for Contract Changes

Parents may only change the chosen provider during **a term** in exceptional circumstances (e.g. moving area, safeguarding). The funding for the government is in place **termly**.

The notice period for changes to contract for the following term, or termination of contract, is 1 calendar month and must be put in writing to the school via a 'Pre-School Provision Amendment Request Form', available from the school office.

Pre-School class places and sessions are not guaranteed until written confirmation is received.

14 Complaints

If you are unsatisfied with any decision made through the admissions policy, please contact the school office on 01457 872860 to arrange an appointment with the Head Teacher.

15 Appeals procedure

Please contact the Chair of Governors to appeal against any decision made.
